REGION 6  
1445 ROSS AVENUE, SUITE 1200  
DALLAS, TX 75202-2733

AUG 31 1995

Mr. Frank J. Doyle  
P.O. Box 312  
Leonard, Texas 75452

Dear Mr. Doyle:

The Environmental Protection Agency (EPA) has concerns with contamination on and near your property located adjacent to the Leonard High School in Leonard, Texas. The presence of these potentially hazardous substances near residences, the high school, and a day care facility is a serious concern to EPA.

According to information currently available to EPA, you have information regarding the cause and extent of the contamination. We would like to discuss with you the options for removing and disposing of this contamination in an expeditious manner.

In order to explore all appropriate possibilities, I would like to meet with you in Dallas to discuss options available to both EPA and to you. Because of the exigencies of the situation, activities need to begin in an expedited manner. Therefore, we need to meet no later than September 15, 1995, to allow sufficient lead time.

Please call me at (214) 665-6670 to schedule a time to meet that is convenient for both of us.

I look forward to hearing from you soon.

Sincerely yours,
